**Immediate Release**

**William Bray, MD Certified as an Aviation Medical Examiner**

Lafayette, Indiana - January 12, 2009-, Dr. William Bray, Medical Director of the Regional Occupational Care Center, has become a Certified Aviation Medical Examiner by the Federal Aviation Administration. Dr. Bray is one of only a few physicians in region with this designation.

About the Aviation Medical Examiners:

An Aviation Medical Examiner (AME), in the United States, is a physician designated by the FAA and given the authority to perform physical examinations and issue airman medical certificates.
