Miracles Rehabilitation Now Offering Whole-Body Advanced Vibration Therapy (WBV)

February 17, 2009– Lafayette, Indiana - Miracles Rehabilitation- Lafayette/West Lafayette (A Unity Healthcare Partner) is excited to now offer WAVE – Whole-Body Advanced Vibration Therapy (WBV). WBV therapy has been proven to improve bone density, balance, and circulation. The WBV also provides the same increases in power, strength and flexibility that conventional training offers in a quarter of the time. To learn more about WBV therapy and how it could benefit you go to www.miraclesrehab.com and click the “WAVE – Whole-Body Advanced Vibration Therapy” link. Call Miracles Rehabilitation at 765-463-2200 to make an appointment.
