

## **DEDUCTIBLES AND CO-PAYS**

### **DEDUCTIBLE**

Insurances often require that you meet a deductible before they will pay for therapy. Please contact your insurance and ask the following questions:

1. Do I have a deductible that needs to be met before I receive therapy benefits?
2. How much is my deductible?

### **CO-PAY**

Some insurance policies have co-pays for therapy visits. It is highly recommended that you contact your insurance to find out if your plan has a co-pay and what the amount is. Miracles Rehabilitation strongly encourages that you pay your co-pay each visit.
