

It's as easy as 1 – 2 – 3!

1. Request a personal identification number (PIN) for you or your child from your healthcare provider, local health department, and many other CHIRP providers.
2. Visit www.MyVaxIndiana.in.gov and enter your information, PIN, and review the record release statement. Select the Get MyVaxIndiana button to lookup the record.
3. View the immunization record! You can download, print or fax this official record as needed.
